Subject: Crossett Air Charrette, Sat, July 16 at 1:30 pm

Dear, Mr. Bouie – EPA Region 6 would like to bring together a small group of community stakeholders to discuss air quality in Crossett, Arkansas. This meeting will be an opportunity to share information on the voluntary air monitoring that has been conducted and to talk about ways the community can work together on any ongoing concerns. We would like the group to include a small group of residents and representatives from local government, State agencies, and industry, so everyone can voice their perspectives and hear the viewpoints of others in an effort to improve communication and cooperation.

The meeting is tentatively scheduled for **1:30 – 3:45 p.m. on Saturday, July 16, 2016**, at the Crossett Public Library, 1700 S. Main Street, Crossett, AR 71635. (Please note: the meeting time has been moved up to a little earlier since the last time we spoke.) Our goal is to have you and 2-3 others from Crossett Concerned Citizens for Environmental Justice to participate in the meeting. If you have any questions, please contact me or Mr. Israel Anderson at 214-665-3138. We hope you will be able to join us. Thank you! -- Tressa
